ADA Compliance Update

Castle Pines Metropolitan District is committed to providing equitable access to our services to all members of the Public. The District's ongoing accessibility efforts work towards complying with the Web Content Accessibility Guidelines (WCAG) version 2.1, AA. We are in the process of ensuring that website content complies with the Americans with Disability Act, House Bill 21-1110, House Bill 24-1454, and 8 CCR 1501.11. Despite our efforts to make all pages and content fully accessible, some content may not yet have been fully adapted to the strictest accessibility standards. This may be the result of not having found or identified the most appropriate technological solution. This site may also include content provided by third parties. While we cannot control the accessibility of content provided by third parties, we are happy to assist any member of the public with reading and accessing content on our site.

Should you need assistance or accommodations while accessing content on this website, please contact Sue Mantz, our District Compliance Coordinator, at 303-688-8330.
